- 25X1A 1. [redacted] 25X1
- 25X1A 2. [redacted] Comment. As the receiving station is Kurzen, it can be assumed that the train carried an artillery component of the 3th Gds Mecz Div.
- 25X1A 3. [redacted] Comment. [redacted] the arrival at the Baruth railroad station of tank shipments of the 9th Mecz Div on 26 February. [redacted] 25X1A  
The tanks of this division are believed to have participated from there in a march practice in the Cottbus-Baruth area. Coincident with this, the reference report stated that the military posts of the division, i.e. Luebben and Spremberg, were only lightly occupied on 25 February.
- 25X1 4. [redacted] 25X1A
- 25X1A 5. [redacted] Comment. The two trains [redacted] were previously reported [redacted] 25X1A  
[redacted] They probably carried elements of the 32d AAA Div (US). Units of the division held firing practices in the Jueterbog area in the spring and summer of 1952. 25X1
- 25X1A 6. [redacted] Comment. These four trains are believed to have hauled army troops of the Third Gds Mecz Army to field exercises of the 9th Mecz Div in the Cottbus-Baruth area.
- 25X1A 7. [redacted] Comment. On 25 February, units of the 9th Gds Tank Div from Neustrelitz as well as units of the 33d Gds Mtz Rifle Regt of the division from the barracks installation near Castaven Lake near Fuerstenberg were transferred to the northern sector of the troop training grounds at Jueterbog for combat firing practice. [redacted] 25X1A  
These units returned to their posts from there on 1 March, as is indicated by the present report.
- 25X1A 8. [redacted] Comment. On 25 February, a train [redacted], which 25X1A  
probably carried a unit of the 20th Army AT Arty Brig(US) of the Third Shock Army, was dispatched from Brandenburg to Schwerin-Coerries. [redacted] 25X1  
It is assumed that the unit was involved in practices of the 94th Gds Mtz Rifle Div in the area south of Schwerin and that it returned to its garrison from Hagenow on 1 March.
- 25X1A 9. [redacted] Comment. The trains dispatched in Bernau, Fuerstenwalde and Doeberitz are believed to have carried units of the Fourth and Second Gds Mecz Armies to combat firing at the troop training grounds of Jueterbog and Altengrabow.
